

Google Classroom Tips

1. Use Chrome browser on your PC, Mac, or Linux device. Better integration.
2. From your phone, download the Google Classroom app.
3. Use the academy email logon (firstname.lastname @academy.koolaubc.org) at <https://mail.google.com/>. All students should have a logon.
4. Click on the 9 dot square for Google Apps(see picture below) to switch to Google Classroom or go to <https://classroom.google.com/>
5. If you have more than one student, you have to switch between accounts. See below, click on the circle.

6. If you need tech support, email edward.habal@koolaubc.org
