## Extended School Day Program

---

In order to provide a safe and secure environment for your child(ren) to wait for their rides, the school offers an extended school option. Due to Covid-19, this program is for working parents/guardians only. You may choose to have your child(ren) stay past the normal 3:30 PM departure time by enrolling them in the Extended School Day Program. Students enrolled in the program will report to the lunch lanai area by the elementary playground by 3:30 PM and check in with the Extended School Day monitor. To avoid the problem of mixing cohorts, students will sit at their assigned table. The monitor will help the students with classwork concept and homework to the greatest extent possible. All students should be picked up by 5:30 PM.

The Extended School Day supervisor phone number is **Miss Reed at 808.258.8391**. Please call the supervisor if there is any delay or circumstances that will hinder the 5:30 PM pick up time. The supervisor will contact the monitor. The cost for this program is \$10.00 per day with a maximum charge of \$160.00 per month. Please note that any parents/guardians who pick up after the 5:30 p.m. time will be charged a rate of \$1.00 per minute to their account. Thank you for understanding.
