Please consider the following:

1. Purchase enough uniforms for your child. Evaluate how often you need to launder their uniforms.
2. For Girls: Purchase knee length **Blue Skorts** (K-6); **Khaki Skorts** or **Skirts** (7-12).
For Boys: Purchase **Blue Shorts** or **pants** (k-6); **Khaki Pants** (7-12)
**A suggestion for students in K-8, you may want to buy your child's pants, shorts, skirts, or skorts longer for your child as they grow throughout the school year.*
3. For 7-12 grade: uniform **Jackets** and **Sweaters** are available for purchase from Pueo Print.
**Students in grades 7-12 may only wear jackets or sweaters purchased from Pueo Print. All other non-uniform jackets, sweaters, or sweatshirts are not permitted while at school.
*Students in grades 7-12 are not permitted to wear leggings or long sleeve shirts under uniforms.
Students in grades 7-12 are allowed two "Not in Uniform" grace days per semester. Dress code must still be followed as laid out in the KBA handbook.

Please consider the following about Physical Education (P.E.) Uniforms:

1. P.E. uniforms are only required for **grades 3-7**
2. P.E. classes occur 2 times each week. Please purchase enough uniforms.
3. P.E. Students are required purchased from our **Ko`olau Baptist Academy Office**.
P.E. shorts should reach the knees. Please check sizing before purchasing. You may want to buy the shorts longer for your child as they grow throughout the year.

Mahalo for your continued support for helping us with these uniform guidelines. Our uniforms help foster an academic atmosphere that is professional and organized while focusing on the student's mind and heart.
